

# BLUE \* ROCK

## ***Baby Blue Blanc***

***2015 | Sonoma Coast, California***

The wine is both fresh and rich, a rare combination that appeals to all the parts of the palate. The finish is lingering, allowing Baby Blue Blanc to be enjoyed on its own year-round. However, it's magic when paired with food!

A compelling blend of Sauvignon Blanc, Semillon and Viognier.

***Double Gold Medal and  
Best White Blend***
